SPECIFICATIONS

Overview

INTEGRITY offers a light and airy presentation throughout the yacht. The beam (7.3m) creates a dramatically open and spacious saloon, offering views out of the large windows Port and Starboard. Dining at the comfortable formal table allows for great entertaining to guests on board. The current owner has modified the yacht with Perspex sliding doors on the top of all the stairs, offering this as a child friendly feature, thus making the boat ideal for families young and old, or charter yacht for guests with young children.

The country kitchen is spacious and full of natural light, with plenty of work space and storage.

Manoeuvring INTEGRITY could not be easier, with hassle free systems in place.

She was shipped from the USA in 2006 to the Med and has been Palma based to date.

DETAILED INFORMATION

Full Specification

INTEGRITY COMMENTS One of the best family yachts on the market!

Built in GRP by US shipyard WESTPORT to a design by Jack Sarin, she was delivered in 2002 as one of the yard's popular 112' range. A relaxed, family-orientated interior by Pacific Custom Interiors, accommodates eight guests in four cabins. She has a full-beam Master Suite, VIP suite and a double and twin cabin, all with entertainment centres, LCD television screens and en-suite bathroom facilities. In addition, there is accommodation for five crew across three cabins.

INTEGRITY has recently had a paint job, bringing her up to a very high standard. The Main Engines have 305hr since a full W6 rebuild by MTU authorised dealer, and is still under warranty.

Twin 1,850hp MTU engines give her a range of 2,500 nautical miles at her cruising speed of 12 knots and she is fitted with Naiad zero speed stabilisers.

Her well proven hull design has been around for nearly 20 years. Her shallow draught allows easy access into some of the most beautiful anchorages around the world

A happy home for anyone wishing an exceptionally well maintained yacht with a light, airy interior and space of a much larger yacht of her size.

INTERIOR DESCRIPTION:

Main Dining

The main saloon and dining area is open plan, offering a spacious feel whilst keeping the area comfortable and safe with a relaxed atmosphere.

Galley

Forward on the main deck is the galley/dinette area in a country kitchen arrangement.

The dinette is separated from the galley by a low counter. The dinette is a large U-shaped area with seating for approximately 8 along with two stools at the counter.

Leading aft from the galley on the starboard side is a marble passageway with side deck door, stairs up to the **raised pilothouse**, a door to the crawlspace beneath the pilothouse, and a door to the **day head**.

To Port is a second marble passageway with side deck door, stairs up to the pilothouse, and stairs down to the master and guest accommodations.

Pilothouse

The raised pilothouse has a 5-panel windshield with three washer and wipers and three fixed windows on each side. She has a single pedestal mount Stidd helm chair. There is a raised lounge area with table.

ACCOMMODATION

4 Cabins with 8 Guest Berths and 5 Heads

Master Cabin: The cabin has a centreline King size bed with walk in cedar lined wardrobe and plenty of storage space. Vanity dresser with settee and safe underneath. There are 4 portholes which allow lots of natural light into the cabin. The entertainment system consists of TV and CD/DVD player.

The Head consists of 2 sinks with shared large glass enclosed shower and separate Jacuzzi tub. There is marble throughout the bathroom with brass fittings and accents.

VIP Stateroom:

Starting on the forward lower level is the VIP stateroom. The cabin as centreline Queen size bed with walk in cedar lined wardrobe. To starboard there is a small settee and a large hatch for light and 2 small book shelves. Entertainment system consist of TV and CD/DVD player as well as a multifunction phone

The Head has a toilet, shower and sink. There are mirrored ceilings and marble throughout.

Guest cabin 1:

Centreline Queen size bed with entertainment system. The head consists of a toilet, enclosed shower and washbasin with marble throughout.

Guest cabin 2:

Twin single berths with entertainment system. The head consists of toilet, enclosed shower and washbasin with marble throughout.

Crew quarters:

They crew are comfortably situated aft of the engine room with access from a door and stairs on the starboard aft deck, or through the watertight transom door. There is a small crew mess with dinette and galley.

The Captain's is cabin with double bed, small desk and lockbox in the closet. As well as a TV and CD player. The cabin has its own head with toilet, shower and washbasin.

The Junior cabin is set with twin bunks whilst the Engineer's cabin is with a single bunk with TV. Both these cabins share a head consisting of toilet, sink and enclosed shower.
