## Overview

---

The Sunseeker Predator 84 "PELAGIA" is an excellent example of this popular model. With a sports flybridge, which is barely recognizable as another deck to onlookers, and a dining and seating area on the bow, accommodation on board this vessel is fully maximized. Below, clever design has created four spacious, ensuite cabins to accommodate eight guests. Delivered in 2009 to her Owner "PELAGIA" offers unbridled space and luxury. Fitted with black American walnut wood throughout and her striking "Jet Black" hull, "PELAGIA" is an excellent turn-key opportunity on the current brokerage market. With a long list of extras that include the iconic "Sports Fly", trademark "Rise and Fall Hydraulic Platform" this is a Predator 84 that must be seen to be truly appreciated. Fully EU Vat paid.
