SPECIFICATIONS

Overview

"Viewfinder" will be available for viewing on C-D Dock at the Ft. Lauderdale Boat Show

November 3rd - 7th 2016 • Compound, waxed and full detail (June 2016)

- Engine and drive service (April 2016) Volvo DPS (sometimes referred to as Skyhook)
- Passport Premier Cruising Class ESC until 2021
- Volvo ESC for engines and IPS2 drives until 2020

Viewfinder is the perfect example of a beautiful captain maintained vessel at the highest level. Galati Yachts former corporate captain is full time on this beautiful yacht. But, She is so easy to operate, her current owner also operates her as well, and this is only his second yacht. She boasts three different joystick location, lower helm, upper helm and a cockpit docking station for easy maneuvering in tight quarters. This Prestige is not only beautiful and easy to run, but she is also very sea worthy and runs great in rough seas at a 24 knot cruise. The popularity of this brand is due to its excellent design, use of space, and 360 degree visibility from the Galley and Salon area. The current owners are moving up and have spared nothing to make sure the boat is ready for the next owner.
