Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Detroit Diesel

Model: DD/8V71TI

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Additional Information

The 53 Hatteras Motor Yacht was the industry standard throughout her production with 350 built. Her comfortable ride and generous accommodations are hard to match. The 3 stateroom 3 head layout with full salon and oversized galley was mimicked but seldom matched. Her current owner is selling due to a change in plans.

Main Salon

The salon has a beautiful, open, airy layout with two swivel chairs and a full size couch. Carpeting was new in 2008. There is a hi-lo teak table that can be moved about the salon. Two end tables with lamps and a table between the chairs help accent this tastefully decorated area. The salon is cooled with two 16,000 BTU units. A new 21" Sony flat screen TV was added in 2010. New curtains and venetian blinds, 2008.

Vessel Walkthrough

The 53 Hatteras Motor Yacht was the industry standard throughout her production with 350 built. Her comfortable ride and generous accommodations are hard to match. The 3 stateroom 3 head layout with full salon and oversized galley was mimicked but seldom matched. Her current owner is selling due to a change in plans.
