SPECIFICATIONS

Overview

This low hour family friendly cruising and fishing vessel features a spacious interior and cabin space. There is a lot packed into the Silverton 45 making it seem like a much larger boat. The cherry wood veneer cabinetry provides a look of elegance. This three stateroom model provides all of the onboard comforts for long weekends on the water.

The layout of the entire vessel is inviting for on the water fun. The Overdrawn is equipped with a swim platform and the cockpit layout provides plenty of space for sun and cruising comfort. The molded step fly bridge access design allows easy safe access for your young passengers or those who are not quite as sure footed while on the water. The bridge design of this 45 Silverton is huge and has plenty of room for your entire crew. The helm layout is designed to make for easy vessel operation. This 45 Silverton is powered by the optional twin Volvo D12 715 horsepower diesel engines allowing for extra performance compared to the smaller standard power package.
