## Manufacturer Provided Description

---

In one bold stroke, the legendary Heritage Series design has been expertly married to a new and innovative set of features, starting with a truly state-of-the-art propulsion system. As a result, the 41EU cruises smoothly and efficiently at 10 and 24 knots alike. She handles a tight slip as confidently as a tall sea, impresses with her luxury as much as her practicality, and goes faster and farther, yet still rides cleaner and quieter.
