## Overview

---

This 50 Viking has been exceptionally maintained and shows incredibly well. In June 2012, she completed an extensive, no-expense-spared, yard period at the Viking Yacht Service Center where she was painted with Imron from the waterline up and received a 3,000 hour service of her main engines and generator, among other maintenance and improvements. This 50 Viking is powered by the upgraded 1050hp MANs with extended range from the highly desired (200 gallon) additional fuel tank. She is also fully equipped with a water maker, ice chipper, satellite TV, etc. and recently received a new Simrad suite of electronics, including a new autopilot, in December 2014. She also just received a 100-hour main engine and generator service (oil change, and new oil, fuel and transmission filters) in May 2016.

### Viking Service Center (6/12)

- **Completely Painted from the waterline up/ touched up Engine Room**
- **Replaced Carpet throughout ENTIRE boat**
- **Generator- Removed and Cleaned heat exchanger, replaced belt, impeller, pumps, injectors, etc.**
