Fuel Type: Diesel

DETAILED INFORMATION

Bridge

The large centerline helm offers a commanding view both fore and aft and is flanked on both port and starboard with large bench seats. You will find top of the line electronics the Furuno navnet display with open array radar has been updated with the latest software, the VHF is an Icom unit and the autopilot is Simrad. Maneuvering the boat whether backing into a slip or chasing down large gamefish is a snap with the electronic controls making you look a seasoned professional. In addition to the upgraded Murray Brothers helm seat you feel the cool breeze of the custom AC making those long hot days enjoyable.

Fishing Equipment

Endless Love II is set up to catch fish. From the tall tuna tower, wide-reaching Lee outriggers, to the unlimited Tuna Chair she has it all. With a 15' beam you will immediately notice how large the cockpit is giving you plenty of room to work. There are large fish holds, a live well, tackle drawers, and a rigging station with sink. She even offers a custom mounted gaff and tuna door so you won't miss the big one. You will also find 2 cannon Down riggers and 10 rod holders mounted on the tower alone which also has spreader lights.

Cabin

The first thing you notice when going below is just how big the cabin is. Endless Love II is showered with light from the 2 salon hatches and great head room. The open floor plan with the galley to port and oversized bunk to starboard is extremely comfortable. On the aft end of the cabin is the spacious fiberglass head with corian counter. This practical design makes it much easier to clean and keeps it bright. Moving forward you will find a large island double berth with a hanging locker and drawers for all of your essentials. You will also notice custom rod storage to secure your large tackle.

Galley

The large galley features all the comforts of home. Teak cabinets offer more than enough storage for extended trips and help keep things organized. From the double fridge, stove top, large sink, corian counters and built in microwave and coffee maker she has it all.

Mechanical

Highly desirable 450 HP Caterpillar 3126B engines with only 1102 original hours.
