Beam: 13' 0" (3.96m)

Max Draft: 2' 5" (0.74m)

Speed, Capacities and Weight

Displacement: 17200 Pounds

Water Capacity: 60 Gallons

Fuel Capacity: 367 Gallons

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Yanmar

Model: 6LY2A-STP

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations, Furnishings & Layout

Taking in the view dockside this Hansom sleek fisherman with a commanding Marlin Tower looks all business. You just want to jump on board with tackle and cold drinks and find a good weed line. Rampage is known for rugged no nonsense sport fisherman built for the blue water. The vessel can be easily boarded from the wide cockpit gunwalls. The well designed cockpit boasts nonskid sole, pompanette fish chair, transom well, a bait tackle center, and a huge built in fish box.

The raised helm deck provides the captain and crew with an unobstructed 360 degree view. The central captains helm chair provides arms reaching to a full complement of mechanical and navigational aids. Additional seating is provided by a large L-shaped bench seat to port and a single ladder back chair to starboard with a large storage cabinet behind.

The tower also has abundant seating and includes redundant controls and electronics. The additional height comes in handy when finding the next fishing hot spot.

A large bifold door with slide open hatch provides quick entrance to the Teak trimmed cabin. Immediately to port midship is the galley. Some features include Corian countertops, Teak cabinets, Nova Cool refrigerator, stainless steel sink, and microwave over. Behind the galley is the enclosed head. Some items include electric head, shower, stainless steel sink, mirror, cabinet, and deck hatch. To starboard is a leather settee which converts to a sleeper. Aft is the entertainment center with TV, DVD Player, stereo and the A/C D/C distribution panel.

All the way forward is the V-berth. There is a pedestal table that drops down to fill in the V-berth. Two back rests flip up to provide additional sleeping areas. The overhead is a light vinyl with numerous spot lights and three Bomar deck hatches. The sole is Teak & Holly and is protected by a burbur removable carpet.

Galley & Laundry

- Galley: Down
- Water Heater
- Water System: Pressure; Dockside
- Euro Kera Double Burner Stove
- NovaCool Refrigerator with Ice Tray
- Round Stainless Steel Sink
- Whirlpool Microwave
