SPECIFICATIONS

Overview

NEW TO MARKET! OWNER SAYS SELL!

This is a fine example of a Beneteau 321, with a well-documented maintenance history and numerous upgrades within the last several years, including all new wiring, Garmin GPSmap 547s plotter, Raymarine Autopilot, wind indicator and Tri-data, a 2015 Walker Bay dinghy, roller furling mainsail etc... A large inventory of spares as well as cruising related equipment transfers with the boat as the knowledgeable owners are getting out of boating after nearly 40 years of cruising.

Designed by Groupe Finot, the Beneteau 321 cuts through waves with ease while her helm remains steady. On a moderate heel the 321 has excellent stability, while maintaining a shallow draft with a bulb keel of only 4'3". The interior volume is truly astonishing and makes for a very comfortable family cruising boat with the sporty characteristics of a great sailing hull.
