## DETAILED INFORMATION

---

### Main Deck

---

The main deck layout on the 66 Viking is the envy of the industry. To starboard aft is the L-shaped lounge and cocktail/dining table. Forward is the functional and comfortable 6 place dinette. Opposite is the galley with an island counter, under counter refrigeration, 2 bar stools and an over abundance of storage. Aft to port is the entertainment center and the convenient day head.

### Companionway

---

Access to all staterooms, laundry center, central vacuum system and bilge access, is provided via the companionway.

### Master Suite

---

Located amidships to port is the sumptuous owners suite, highlighted by an athwartship berth (with hinged storage beneath), upgraded entertainment center, large hanging lockers, credenza, and night stands. This beautiful stateroom also offers access immediately aft to the private head with oversized shower.

### Forward Guest Suite

---

A centerline queen berth, flanked by generous storage cabinets invites your guests to relax a while. Comforts include an entertainment center, ample storage in hanging lockers and beneath the hinged berth top, and an overhead hatch for natural light and ventilation if desired. Adjacent aft to port is the very spacious head with a large stall shower.

### Starboard Guest Suite

---

To starboard is another guest stateroom offering upper and lower berths, and abundant storage. Access is provided aft to a private head with stall shower.

### Crew / Guest Suite

---

Aft to starboard is a stateroom featuring upper and lower berths, TV, large hanging berths and credenza, access to engine room via crew door. Adjoining is a private head with stall shower.

---

## Flybridge

---

The command center was designed for ease of operation and total cruising/fishing comfort. With three custom seats at the helm, and lounge seating port, starboard and forward, your entire party will be comfortable here. Electronics and controls are cleverly installed in a retractable drop down box, and easy access compartments that close to conceal and protect the equipment. The entire flybridge is topped off with a beautiful Palm Beach Towers custom hardtop.

---
