SPECIFICATIONS

Overview

The 248 Crossover is the perfect union of offshore performance and unsinkability of an EdgeWater with the seating, storage, amenities and versatility of an offshore boat. The 248CX will do anything you want to do on the water in an offshore boat while keeping you and your crew safe regardless of the conditions. With its deep-V hull, Single Piece Infusion® (SPI) construction, high-grade components, and the reliability of Yamaha four-stroke technology, the 248CX operates in a class of all its own. Still, it's an offshore boat that outperforms all comparable boats in any other category.
