## Overview

---

"ANTONIA II" is a true luxury cruising yacht. She turns heads at every port of call with her elegant lines and style, and then she takes to the seas with that same finesse and comfort, so that you can enjoy a beautiful day on the ocean or sleep in perfect harmony as she takes you smoothly and quietly to your next exotic destination. "ANTONIA II" has been lovingly cared for by her original owner and original captain and it shows. She has been maintained to the highest standards. A few major upgrades separates "Antonia II" from any other 105' Azimut on the market, including a complete paint job of the hull and superstructure and the addition of underwater exhaust. The four-stateroom layout with the master suite on the main deck, a spacious flybridge for entertaining and a beautifully appointed interior will ensure its new owner as much pleasure as her current owner. She had full MTU service/maintenance in April/May of 2017. AND she has a commercial registration.
