SPECIFICATIONS

Overview

The owner of **CORSAIR** purchased her and made the Great Loop over the past year. After meeting many new friends and creating memories of a lifetime has decided to move to the next chapter of his boating experiences. He has upgraded CORSAIR with an open check book and attention to every detail needed to make extended cruising a pleasure. You can feel the attention to detail and pride of ownership of this vessel as you inspect her. Powered by efficient Caterpillar 3208TA twin diesels with under 1665 hours, she is equipped with all the right electronics and optional equipment which includes bow-thruster, RIB tender with outboard, electric davit, custom folding electronics mast, full flybridge enclosure, 8kw generator, Inverter/charger, high output alternator, Vacu-flush heads, washer & dryer, air-conditioning, two refrigerators, deep-freeze, propane stove/oven and even more custom features from the Grand Banks factory when initially ordered by her first owner. **CORSAIR** is the preferred galley-down, two stateroom/queen berth version of the Grand Banks 46 Classic model. Her wide side decks and large cockpit offer boarding and walk-around ability. A spacious flybridge with New enclosure and ensign glass make for a very comfortable ride and great for entertaining. Currently in covered slip at Johnson Brothers in Pt. Pleasant, NJ. She is priced right and ready to cruise.
