- Shore Power Inlet
- Generator

Manufacturer Provided Description

Clean lines and classic looks, the Luhrs 38 is as strong as it is good looking. Carolina flare and a wide beam assure you of a dry, comfortable and stable ride in those offshore swells or that nasty chop. The command bridge offers plenty of electronics space, lots of seating and plenty of storage. Even a portable cooler is standard to eliminate those trips to the galley. A sturdy half-tower with mounting pads for the radar and antennas is usually an expensive option on most boats, but standard on Luhrs. Other incredible standards include reverse-cycle air conditioning/heat plus an 8KW diesel generator. Fishing features are not to be forgotten and tackle drawers, livewell,

dual washdowns, sink and fishboxes are all included as standard.

Additional Information

The accommodations below are a reflection of the beauty outside. Rich cherry and beautiful fabrics work in harmony with the padded carpet and galley hardwood floor to present an elegant but durable environment. The salon features a convertible sofa and a pair of barrel chairs. Friends will enjoy the guest stateroom with twin berths and places for all their gear. A dual access head is both convenient and private with its separate stall shower, Corian covered vanity and cabinets.

Engine Notes

Yanmar and CAT diesel also available.
