Fuel Type: Diesel

DETAILED INFORMATION

Overview

The Cabo 31 is a premium offshore express whose precise handling, exceptional range, and superb engineering set her apart from just about everything in her class. Heavily built on a modified-V, a wide 12'5" beam gives the Cabo 31 the cockpit and interior space of many larger boats. Standard features include an integral bow pulpit, bait-prep center, transom livewell, in-deck fish box, cockpit rod storage, fresh/raw water washdowns, 5 kW generator, gunnel rod holders, transom door with gate, power windshield vent, cockpit bolsters, cockpit rod storage, trim tabs, and cockpit lights. The entire helm deck lifts hydraulically for engine access. Below, the Cabo's well-appointed interior sleeps four and includes teak cabinets, teak-and-holly flooring, full-service galley with Corian counter, standup head/shower, and convertible dinette forward. The attention to detail found throughout is exceptional.
