SPECIFICATIONS

Overview

'Lola' is a perfect sized and priced package for the buyer looking to get all of the great attributes of a larger more expensive sportfisher, but at a more manageable and affordable level. Aside from her looks and soft ride, she offers a great salon layout, private crews quarters, a large Master stateroom with private head and shower, storage throughout and the fishability on the outside to complement the comfort on the inside. The dependable and economical twin CAT 3126TAs offer a 24 kt cruise and burn only 32 gph. With a large bridge and spacious cockpit, this boat feels and performs like a much larger vessel when underway and when set out and fishing. She is the lowest priced 37 from her era on the market, so if you are looking for a clean, low maintenance fishing machine that also offers the creature comforts to travel and live aboard for those overnight or weekend trips, this 37 Egg Harbor will get the job done. Come take a look. It's a lot of boat for the money.
