WALK THROUGH TOUR

Step aboard at amidship gate between double lifelines and stainless steel stanchions onto wide side deck free of sail lines. Walk forward to bow and observe recessed jib furler, wood plank bow seat, anchor pulpit and anchor locker. Notice coachroof aft of mast covering sail lines and holding traveler as you walk aft along deck.

As you step down into cockpit, note spaciousness with room for 6 on cockpit cushioned seats around folding cockpit table attached to binnacle. Observe all sail lines running through clutches to winches within reach for single handed sailing. Sit at helm to appreciate that navigation electronics are within reach. Lift up transom helm seat to step down onto moulded scoop swim platform with seats that are lazarettes. Note folding swim ladder.

Return to cockpit to step through companionway and down 4 steps into salon. Notice wood cabinetry and teak and holly sole trim. Note fully equipped galley immediately to starboard and navigation station to port. Remove companionway steps and panel to observe easy front engine access. Walk aft to aft cabin and note side and aft panels for 360° engine access.

Move forward through salon and observe 6' 5" headroom. Observe opening overhead hatches and several opening and nonopening windows that provide light and cross ventilation. Look to starboard U-shaped settee with high/low table that converts to queen berth. Turn to port for settee that converts to single berth, and reach under salon table to extend table leaf for serving 7 around both settees.

Proceed forward through door to head. Note sink with vanity to port, shower and marine toilet with lid to starboard. Open door and proceed into forward double v-berth cabin. Note hanging locker, overhead opening hatch and side opening ports.

Return aft through head, salon and galley and open door to aft queen berth cabin. Note hanging

locker and opening side ports.
