Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

The particularly sociable Sunseeker Camargue 44 has a wide cruising range and can take a boating party at high speed wherever they want to go. Offering good maneuverability and a stable performance, she provides comfortable accommodation and a spacious deck layout, which includes a full-size sunlounger as well as cockpit seating for eight around a folding dining table. Three people can also join the pilot in the large helm station. With a wet bar and fridge, a swim shower and a swim platform, this elegant cruiser offers everything needed for daytime fun and nighttime comfort. The spacious salon has deeply upholstered seating around a folding dining table, and is decorated with attractive lacquered interior finishes and veneers. There's a surprisingly large and well-equipped galley. For nights away, or for a little extra privacy, the Camargue 44 can provide full cruising comforts for six. There's a large en suite master stateroom forward and an en suite twin-berth cabin aft, and the salon can also readily convert into a further double berth.
