SPECIFICATIONS

Overview

This Cummins Diesel powered boat with a shallow draft that makes it a great boat to cruise Florida and the Bahamas is easy to board from either the side decks, for higher docks, or from the cockpit/swim platform area, for lower docks. The easy to get around forward deck with quick and easy access to the Pilothouse has nice seating facing forward looking out over the windlass and bow pulpit.

DETAILED INFORMATION

Walkthrough

Vessel Walkthrough

Upon entering the salon from the covered cockpit you will find the large L-Shaped sofa to starboard and the spacious cooks delight galley a little forward to port with a refrigerator/freezer, stove, microwave, etc. with lots of counter/prep space. Going forward down the companionway you will find the guest stateroom to port with a double size berth and closet. Across the companionway on the starboard side is the guest head with a separate shower and vacu-flush head. You will also find the washer/dryer down below. All the way forward is the large master suite with a settee that can convert to upper and lower bunks on the port side, and to starboard is the private master head with a separate tub/shower and vacu-flush head. From the main salon you go up the stairs on the starboard side to the Pilothouse which is very spacious and comfortable with great visibility and sightlines for both the captain and guests from the captain's helm chair and the raised settee with table, the helm is very modern with easy access to all systems, at the aft end of the Pilothouse is the short ladder leading the Flying Bridge. On the covered Flying Bridge you will find the captain's chair with a well laid out helm and an L-shaped lounge area for your guests, on the aft portion of the bridge is the center console RIB with a Mercury outboard and a low profile davit on the port side and a wet bar area with freezer on the starboard side with a ladder leading down to the cockpit. This is a great cruising/ entertaining/live aboard vessel that is the best price 1997 on the market in the US. Current owner recently got back from the Abacos where the boat performed great and everyone had a wonderful time. If you do not know this model come by and see for yourself why this is such a popular boat.
