## Overview

---

"Ocean Pacific" is truly a world class expeditionary motor vessel, capable of travelling to the most remote places on the planet. She has done it before and is ready for a new owner do it again.

The Vessel originally carried a 32' Ina voter aluminum sport fishing boat on her aft deck, which could be launched and used to fish big game in Mexico, the South Pacific, Australia, and New Zealand. Having that ability only increase's the potential for exploring the oceans of the world in a vey special Yacht.

The extended cruising range is approx 4500 miles at 10 knots.

General Vessel Description: Twin diesel engine custom sport fishing yacht Layout Lower deck: The chain locker is followed by a V-berth with three bunks. Next aft is the crew galley starboard and the captain's quarters to port. The crew head and shower is next aft to starboard. Down steps is the pantry. A guest stateroom is to port with two single berths followed by a second guest stateroom with a double and single berth. They share a head and shower between them. The master stateroom is to starboard with en-suite head and shower. Layout Upper Deck: The pilot house and watch berth/settee is forward with sliding doors port and starboard. The steps lead up to the flybridge or down to the galley and salon. A door leads to a deck with day head refrigerator and freezer. Steps lead down to a boat deck or up to the tender deck and flybridge. There is a tower with a crow's nest and full engine control. The vessel's aft decks contain a fish holds with 5 Ton Fishholds 2- freezer and refrigerator as well as bait tanks.
