ХАРАКТЕРИСТИКИ

Обзор

\$21,000 PRICE REDUCTION!!! Welcome to the world of perfection! That would be the best statement to describe the design and beauty behind this 385 Pursuit. She has almost 40 years of evolution from the company that produces the sleekest and most durable offshore battle wagons offered on the market today.

With a length of 39.5 feet she processes a feel that you would find in the larger customs yachts. The owner spared no expense in adding every possible amenity on board with an extensive electronics package like no other vessel in her class. Triple four stroke Yamaha 350's, which are super fuel efficient, power this beauty. The custom fighting yellow paint looks immaculate and the entire boat shows in like new condition due to her dry storage and open checkbook maintenance by owner.

The interior hosts a full size head and shower, berths that sleep four guests and galley. The owner has never used the interior or slept on the vessel to maintain its current new condition. With full warranty on the hull and engines you can rest assured knowing that you riding with the best reliability and support offered on the market today. The vessel has many extras such as custom bow cushions and brand new canvas covers that will accompany her.

No matter if you are running 80 miles offshore fishing or a weekend cruise cooking your fresh catch on the cockpit grill with the family this boat has the range, power and luxury to handle for all your needs.
