SPECIFICATIONS

Overview

The Back Cove 37 continues the practical features that have identified the Back Cove motor yachts - usability, low maintenance and fuel efficiency.

The master stateroom boasts an island berth for ease of egress; and for storage of owner's gear, there are many lockers and drawers provided. There is a full guest cabin starboard aft of the master with a pullman berth and ample storage capacity. On the port side there is a large head unit with separate stall shower.

Between the lower and salon levels, the mid-galley is fully equipped with a refrigerator, freezer, microwave oven and a deep stainless steel sink as well as many drawers and lockers for galley storage. Large windows overhead provide the galley with ample visibility and light.

In the salon, there are twin Stidd helm seats for the helmsman and crew. Aft of the helm is an L-shaped settee and to port a two person love seat. An inlaid table offers a comfortable space for dining with crew and guests. Large windows offer plenty of light while overhead a large sliding pilot hatch allows air to flow through the salon. At the aft end of the salon, large swing-bi-fold doors completely open up the salon to the cockpit. At the transom, fixed seating provides the comfort you desire for socializing with guests.

Basic Information

Category: Cruiser

Model Year: 2017

Year Built: 2017

Country: United States

Dimensions

LOA: 42' 6" (12.95m)

Beam: 13' 3" (4.04m)

Min Draft: 3' 7" (1.09m)

Speed, Capacities and Weight

Displacement: 22100 Pounds

Water Capacity: 120 Gallons

Fuel Capacity: 300 Gallons

Accommodations

Total Cabins: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Cummins

Model: QSC8.3

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION
