SPECIFICATIONS

Overview

The Regulator 34 Center Console is a true 34' sportfisherman with an exceptionally large cockpit and loaded with all the fishing features a dedicated angler would want. The Armstrong bracket allowed the designers to take back the transom so the size of the boat rivals 39' competitors. Since the motor mounts are pushed back, you maximize deck space, plus with the bracket mounted power, the 34 gets optimum speed and fuel economy. The combination of its proven hull, enhanced cockpit space and beam, plus overall design characteristics all work together to give Regulator a real edge in this niche. Features designed to please the discriminating angler include above deck live well, full transom fishbox with built-in refrigeration, and a walk through tuna door. Plus amply sized console face has room for up to two 14-inch multifunction displays. Other features include an all-fiberglass, stand-up head and dedicated berth for sleeping or storage.

- Twin Yamaha F350's with under 500 hours and YES warranty until until 2019
- Just Detailed inside and out
- Under water lights and LED lights
- Air-conditioned cabin
- Thru stem Bow roller and windlass
- Custom rod storage and holders throughout the boat
- HD bow thruster
