Manufacturer Provided Description

The dramatic, flowing silhouette of the Regal 3060 Window Express is clearly of the Regal Yacht bloodline. Unmistakable are the rake of the bow and the graceful aft sweep of the arch. Large, port and starboard, cat-eye windows and sharply angled windows forward pour an abundance of natural light into the salon. The interior, so bright and airy, is also spacious. The mid-cabin (usually reserved for children or storage), is large enough to be the master stateroom. Bathed in natural light from forward and side, the interior of the 3060 compares in size and amenities to many larger cruisers. A comfortable dining area converts quickly to large queen-size sleeping quarters. A full galley includes a microwave oven, double burner stove, and ample refrigeration. Counter and dining table top are beautiful, easy care Corian. The 3060 has Regal's innovative Cockpit Forward Seating arrangement. The main seating group is located adjacent to the helm, not in the rear. Everyone rides up front with the captain and shares the helm station view. The helm seat swivels to face the group for better socializing and, with a simple adjustment, the cockpit table slides into ideal position between group and helm. Cockpit table is removable.

Engine Service & Stern Drive Replacement

We have service records that go all the way back to when the boat was sold new. All engine, stern drive and generator services are depicted here, and there is clear evidence of Professional care.

In May, 2014 The original "composite" Volvo stern drives were replaced with the new Volvo DPS duo-prop drives, new transom shields, Exhaust Y-pipes, etc. At the same time, the engine compartment was completely cleaned, engines were re-aligned and everything was satisfactorily tested.

The engine Exhaust Manifolds and Risers were changed in May 2014. Heads and Valves were reworked at the same time. Both engines and the Generator Impellers were changed, and Spring servicing was done Spring of 2016.

Power Boat Guide Says...

The 3060 Window Express is a sporty family cruiser with distinctive foredeck window inserts that combine rakish styling and a spacious interior, with exemplary finish. Upscale cabin with wraparound dining area, fully equipped galley boasts high-gloss cherry cabinetry, outstanding headroom. Note the roomy mid-cabin berth, Corian counter tops. Well designed cockpit has foldaway transom seat, swivel helm chair, walk-through windshield. Lockable Companionway door with screen, extended swim platform, transom shower. Twin 270hp Volvo I/O's cruises at 25-26 kts and tops out at 35 kts.

Special Feature & Items to Note

- New Volvo DPS stern drives, Spring '14
- New Risers and Manifolds, Spring '14
- Full canvas enclosure with camper canvas and rear screen
- Flat Screen HDTV/DVD on swing arm mount
- Upgraded stereo with (2) Subwoofers, as well as cockpit and Swim Platform speakers with remote
- New cockpit carpeting
- Reverse Cycle Heat/Air Conditioning
- Kept and used in Fresh Water, with Neutra Salt engine flushing system for each engine
