## Overview

WOW! This Island Packet 320 is your chance to own a well-designed, well-built family cruising sailboat that is one of the IP fleet favorites. Moderate 4' 3" draft gives wide cruising range - from offshore to shallow bays. Cutter rig with 48' 1" airdraft cruises under 50' bridges.

Very thoughtful use of interior space to maximize comfort, headroom - 6' 4" - and storage. Airconditioning/heat when great cross ventilation through several opening ports and hatches is just not enough for comfort. U-shaped fully equipped galley is perfect for gourmet chef and casual cook. Sleep 7 and entertain all your new anchorage/marina friends aboard in roomy cockpit or large salon.

## WALK THROUGH TOUR

Before stepping aboard, admire from dock IP 320 classic design, teak caprail and trim, easy sail plan with maximum sail area. Board amidship through gate and proceed safely forward along nonskid deck inside double lifelines with cabintop mounted handrail. Observe sail plan with in-mast furling mainsail, traveler mounted on cabintop, furling staysail with boom and furling headsail. Note headsail furler mounted on teak bowsprit extends sail area. Also observe 2 anchor rollers. Proceed aft to cockpit on starboard side and observe below deck propane tank locker amidship. Step down under bimini and dodger into contoured cockpit seats. Note easy to reach winches and sail lines led to cockpit through clutches. Sit at raised teak helm seat to observe helmsman's great sight lines. Step up at transom to sit on raised stern rail seat. Step down and over transom onto molded scoop swim platform, and lower swim ladder for easy reboarding after swimming. Return to cockpit to see fresh water shower.

Lift out companionway boards and place in dedicated storage shelf under companionway steps. Walk down 5 teak steps to interior. Observe 6' 4" headroom throughout interior. Note U-shaped galley to starboard and navigation station to port at foot of companionway. Walk through bi-fold door into navigation station and lift folding table to full height to make privacy wall for aft cabin. Fold down to table height for chart table work. Proceed aft to observe queen size berth, cedar lined hanging locker and storage bins.

Exit aft cabin and navigation station and proceed forward to salon. Notice how design with spacious headroom, ports and hatches gives light, airy feel. Lower double teak table from bulkhead storage to look at ample protected shelf storage behind table for fragile glasses, bottles and dishes. Open table to full width to see how 7 or more people will sit around table for meals and entertainment. Refold and replace table to storage position and pull out port settee into double berth. Note shelf storage above settees and under settees. Walk forward and open head door to port. Observe nonskid sole, curved vanity with fiddled edges, mirror, manual marine toilet, separate wand shower, shower curtain, and sump drain for shower. Exit head and open center forward door to master suite. Note pullman double berth, cedar lined lockers and cabinet and shelf storage. Open cabinet forward of berth for anchor locker access.

Move aft to companionway and remove ladder to observe engine access.
