Overview

PRICE SLASHED

\$50,000.00

OWNER WILL LOOK

AT ALL SERIOUS OFFERS!

4 Staterooms

This owner has decided to lower the asking price on the boat and make it seriously for sale, below the market price.! He has moved out of Florida, and would far prefer selling the boat before having to move it to another state. All reasonable offers will be looked at very seriously!

The owner has spared no expense in upgrading and maintaining this beautiful Sportfish/Convertible. She is captain maintained and treated to an open checkbook. Every modern convenience and electronic is featured on JEANNE-SEA. 4/27/2015 Jeanne Sea is receiving a complete update. The owner has replaced the headliner, the carpeting, the upholstery and is now going through an overhaul of all systems on the boat. While these items were all good before, they have been put in Bristol shape.

She will make some fisherman a long haul battle-wagon with her 4 staterooms or a great family cruiser because of the overall large accommodations. Look inside and find a very pleasant surprise.

"MISS JEANNE SEA"

Sport fishing luxury on a grand scale describes the 66 Super Sport, the largest boat in the Ocean fleet during the 1990s and still a handsome yacht today in spite of her age.

She's basically an improved (and easier riding) version of the earlier 63 Super Sport with a deeper forefoot, a reshaped transom, additional fuel, and a newly configured flybridge. The 66 is built on a tapered modified-V hull with cored hull sides and a nearly flat 3 degrees of transom dead rise. Below decks, her lavish (and innovative) floor plan is arranged with the galley and dinette forward and a step up from the huge salon .

Boat Name Miss Jeanne Sea Dimensions Beam: 17 ft 8 in Length on Deck: 66 ft 0 in Maximum Draft: 5 ft 6 in Headroom: 7 ft 0 in Dry Weight: 88000 lbs Engines Engine 1: Engine Brand: Caterpillar Year Built: 1998 Engine Model: 3412 Engine Type: Inboard Engine/Fuel Type: Diesel Location: Starboard Engine Hours: 2300 Drive Type: Direct Drive Engine Power: 1400 HP Engine 2: Engine Brand: Caterpillar Year Built: 1998

Vessel Walk through

There are four staterooms on the lower level with the full-beam master suite located beneath the galley. The cockpit comes with molded tackle centers, cockpit controls, in-deck fishbox, and direct engine room access. Topside, the factory hardtop, enclosed air conditioned bridge and built-in radar arch surround the massive flybridge which includes three pedestal seats, a wet bar, and lounge seating for a crowd. Additional features include teak covering boards, laundry center with washer/dryer, central vacuum system, and a bow pulpit. The big 1400 HP 3412 Cats will cruise the Ocean 66 at 30 knots and deliver a top speed of 33 knots
