## Overview

**\*\*\*\*NEW TO MARKET\*\*\*\***

### **2005 Glacier Bay 2690 Coastal Runner**

### **Yamaha F150's With Under 320 Hours**

### **Four season fishing with legendary Glacier Bay ride**

Terrific opportunity on this well maintained, trailer stored, Glacier Bay 2690 Coastal Runner. She has low hours, no bottom paint, and is nicely appointed with Raymarine electronics.

With her fully enclosed pilothouse, cozy accommodations, and roomy cockpit, the Glacier Bay 2690 Coastal Runner offers an attractive package for boaters looking for versatility in an able sea boat that is both fuel efficient and trailer-able. Glacier Bay enthusiasts can argue about whether the Coastal Runner is more fishboat than family cruiser however the fact is that she's a true crossover boat with genuine appeal to both groups.

Like all Glacier Bay models, the 2690 rides on a pair of foam-filled hulls whose full-displacement design insures a soft, stable ride even in challenging sea conditions. Entering the cabin via a sliding glass door, a two-person dinette with refrigerator under the forward seat on the port side, and a small galley is to starboard just behind the helm seat. There is a queen berth forward along with a 12V marine head with holding tank. Her Yamaha 150s cruise efficiently at 25 knots in sea conditions that challenge similarly sized boats.

She truly has the performance and characteristics of a larger boat.

**The season is here and this Glacier Bay is ready to go!**
