SPECIFICATIONS

Overview

DRASTIC \$100,000 PRICE REDUCTION. THIS BOAT MUST GO!

Motivated seller -- all reasonable offers will be considered!

Available to be shown by appointment at our Loggerhead Marina location in St. Petersburg, FL!

This 2006 Cranchi 50 Mediterranean' is an Italian cruiser with all the comforts and amenities you would expect on a 60 + foot yacht. Not only does the Mediterranean' 50 have sleek sexy lines and eye catching performance, it also delivers everything you could possibly need in an extended range cruiser.

This boat has all new canvas, new exterior upholstery and new interior carpet. Mechanically serviced recently and ready to go anywhere!

This boat is so well laid out that it is perfect for a large family that wants a comfortable and fast cruiser to take them out to their favorite destinations and back over the course of the weekend. With her three staterooms and two-head setup you can do just that... and do it in style.

One of the major contributing factors to the fast ride and extremely generous range are the twin 715-hp Volvo Penta D12 engines (792 hours). These are placed well forward and very low and together in the boat, leading to excellent performance and stability.

Call us today for a private showing!
