SPECIFICATIONS

Overview

Life aboard "Good Fortune", both inside and outside is sheer enjoyment. Fishing, watersports, enjoying the sun on the flybridge or on deck this yacht is meant for your many pleasures. Spacious and powerful, the Antares 13.80 is the flagship of the Beneteau Antares range, and is a real sea-going motor yacht from Beneteau with luxurious surroundings.

Owner's cabin is forward with a centerline berth and ensuite head-shower. There are 2 side cabins with twin beds and the other with a full double berth. There is also a second head and shower combination for guests.

The Salon is to starboard and features a large u-shaped dinette, with highly varnished table, that converts to berth. To port is a highly varnished combination storage and Galley area that features a long work top with several drawers and cabinet storage to include a hidden 21 gallon refrigerator, double stainless sinks, 3 burner stove top with oven and hidden microwave.

Forward of the dinette is the lower helm station with oversized double helm seat and full instrumentation. You enter/exit the Salon through a sliding glass door leading to an ample size stern cockpit area with aft seating and storage below. The cockpit features a walk through transom door leading to a large swim platform with swim ladder and storage built in.

The bow area is easily accessible with full port and starboard walkways, around the cabin leading to a large foredeck with a spacious sunbathing area. The bridge deck is accessed with stairs leading up from the cockpit to a large bridge area and twin helm chairs. There is also side and stern seating in the upper helm area and an adjacent area that can be used for extra chairs and a table or another sunbathing area.

"Good Fortune" is designed for use on the oceans of the world and has a soft riding semi-V hull with flared bow for a dry ride.

Call us today to schedule your private showing.

DETAILED INFORMATION

Manufacturer Description

Comfortable, powerful and stylish, the Antarès 13.80 brings genuine navigation pleasure together with a seaworthy and safe behaviour. She carries the latest, hi tech innovation in comfort for easy life aboard. Inside, the fabrics, aluminium, woodwork and colors have been chosen and harmonized to match the most prestigious motoryachts standards. Her two turbocharged engines allow a smooth and pleasant ride and a particularly low fuel consumption at cruising speed (2 x 54 L at 17 knots), while allowing a 30 knots plus max speed at full load.
