## Overview

---

Raisers's Edge represents the ultimate in style, luxury, power, and comfort. She is fish rigged and ready to tackle the most demanding fishing you can bring her way. She has the preferred low hour MTU 2400 hp engines, 5 luxurious staterooms, Palm Beach tower, and is in spectacular condition. She is captain maintained to the highest standards with many recent updates. Her custom painted silver hull turns heads wherever she goes. Don't miss this unique opportunity to own the finest example of the legendary 74 Viking.

# DETAILED INFORMATION

---

## Vessel Walkthrough

---

Raiser's Edge has the Preferred 5 stateroom layout with 4 full heads with showers plus a day head on the salon level behind the galley. The salon features a large starboard side sofa seating area that looks across to a 50" flat panel TV that is mounted on a remote electric lift. The dinette is located just forward complementing the full galley. Her large granite galley counter accommodates 3 bar stools on its aft edge in a great social configuration. The day head is just forward of the galley and features deep storage cabinets for bulky provisions. As you proceed forward down the starboard side you have the crew quarters to port with double over/under bunks, crew access engine room door and private ensuite head with shower. Forward of the crews quarters is the master that is just about full beam with ensuite private head and shower plus all the custom touches and upgrades one could want. Across from master to starboard is a guest over/under bunk room that shares a head and shower with the port side bunk room. Both bunk rooms are very spacious with an abundance of storage. Moving forward to the bow is the VIP stateroom featuring a centerline queen bed with private ensuite head and shower. Moving aft, the cockpit features comfortable mezzanine seating with refrigeration and storage, beautiful teak laid decks, and live well on the transom. The massive flybridge features a center console style helm arrangement with a nice selection of navigation electronics. It also features seating for 12 or more, a storage freezer, drink boxes and rod storage areas under the bench seats. A full Palm Beach Tower was added in 2012 along with a black mask forward. And in 2015 the hull was custom painted by Viking in Palm Beach in a striking silver metallic color from Porsche.

## Salon

---

### Salon
