SPECIFICATIONS

Overview

The Yacht was launched in 1964 and was the result of the cooperation between De Vries and De Voogt with Carlo Riva. The final results of this cooperation were extraordinary and C5 is a prime example. Current owner purchased the yacht with the aim of restoring her to her original line and glory. She has been extended by 1,5 m, creating a beautiful opening hydraulic transom and a Seakeeper, gyroscopic stabilizing system was installed for comfort while on anchor or under way. She is now fully refitted and ready for her next adventure owner. A truly remarkable and yacht, designed and built by the very best.
