# ХАРАКТЕРИСТИКИ

## Обзор

This Zeelander is one of the last boats built at the Tiara plant in 2014. She is in meticulous condition and turn key ready. She has a very rare Settee / bed conversion forward and a stunning Garnet metallic hull. Extremely quiet, fast, and comfortable she is easy to maneuver and her Dynamic positioning system (DPS) makes docking a breeze. Always captain maintained, this is truly the best example of a late model Zeelander available.
