The cockpit has ample seating with a removable coffee table that serves as a platform for a sun cushion. The cockpit is carpeted for a soft feel underfoot and the transom door opens to a large swim platform. In the forward portion of the cockpit, mezzanine seating adds

to a conversation group feel.

The helm deck is air conditioned and has a drop curtain to ward off the elements. Her helm is forward to starboard and boasts a compliment of electronics usually found only in larger vessels. Behind the helm is a summer kitchen with electric grill, sink and drawer style refrigerator. Across to port is an elevated dinette providing great visibility and seating for 4.
