SPECIFICATIONS

Overview

This is a great example of Viking's 65 Sport fisherman. The enclosed bridge and full tower provides the utmost comfort factor when traveling and hardcore fishing abilities once you get there. Prop pockets provide a shallow 5'6" draft and her 19' plus beam allows for a spacious interior. She is powered by MTU 16V2000's (1800HP) with just over 2000 hours. The 2000 hour service has been performed. There is a 4 stateroom layout with interior staircase to the enclosed bridge and crew access internally to the engine room.

She was painted in 2010 at Viking south and shows very well. The mezzanine seating area features teak decks and ample refrigeration and freezer space. The electronics were updated a few years back with Furuno NavNet 3D's and new monitors.

There is a Sea Recovery water maker, Eskimo ice chipper, 2 live wells, fighting chair, Rupp riggers, davit on the bow, and many more fishing and comfort features.

This 65 Viking is priced to sell and shows very well. If you are considering an enclosed bridge model, do yourself a favor and take a long look at this offering. You will be impressed.

Basic Information

Category: Sport Fisherman

Sub Category: Sport Fisherman

Model Year: 2003

Year Built: 2003

- All heads are freshwater flush Headhunter brand
- Teak lower vanity cabinets
- Mirror backing behind vanity cabinet
- Exhaust fans
- Linen storage closet in master head
- Medicine cabinet with mirror
- Shower light
- Upgraded hardware
- 110V outlets
- Custom wall paper
- Mirrored ceilings

Cockpit

The large cockpit is the must have mezzanine model with aft-facing raised seating for you and your guests to sit in comfort. A great vantage point to watch the baits or for some to be out of the way during heavy fishing action. Another great feature of the

mezzanine is the ample refrigeration/freezer boxes it contains, along with great storage under the seating.

Above the port seat is an air conditioning blower vent for additional comfort. Padded bolsters wrap the cockpit gunnels. A large live bait well is built into the transom. There is a transom door with lift-up gate. In the cockpit floor is a large insulated fish box with fiberglass molded, insulated in-deck wells outboard port and starboard of the fish-box.

The center fish box is fed by the Eskimo ice machine. A very large refrigerator/freezer box is built into the lower port mezzanine deck. The cockpit also has a full-size Release Marine Tuna Chair with an offset polished S/S pedestal. A ladder coming off the mezzanine gives access to the aft flybridge overhang from the cockpit. There are tackle storage drawers as well. A large refrigerated drink box is built in below the upper mezzanine step at the entrance to the salon. Glendinning shore power cable masters on both port and starboard. Fresh water and salt water wash downs on port side.

- Tackle storage drawers
- Gaff tube storage in dockside insert
- Underwater lights
- Fresh and saltwater washdown
- Refrigerated cockpit step box
- Cockpit speakers
- Freezer
- Clearing rod holders in cockpit wing haunch
- Transom livewell
- Eskimo Ice Machine discharge into dedicated cockpit in-deck well
- Murray Tuna Chair

- Hydraulic throttles/shifters
- Bennett trim tab controls

- DDEC controls
- Ritchie Powerdamp compass
- Fire suppression system override
- Fuel gauges
- Windshield wipers

Flybridge

The enclosed bridge or skylounge can be accessed from inside salon by a spiral staircase or ladder from cockpit. The interior offers a wet bar arrangement with flat screen TV to starboard and a raised L-shaped settee to port. Enter the enclosed bridge from the aft overhang deck through aircraft grade door. To starboard is the aft helm station with electronic controls, compass, bow thruster stick and custom S/S wheel. Above the helm concealed in the hardtop are Miya Epoch US8 teaser reels. Two large spotlights are incorporated into the hardtop. On the port side is a jump seat with storage beneath. Above the seat is a ladder for access to the hardtop through a hatch. Mounted on the double aft rail there are eight rod holders.

- Center steering
- Stidd helm chair
- Two person bench seating on port and starboard of helm chair
- Aft of helm seat on port side is large L-shaped sofa with storage
- Opposite sofa on starboard side is wet bar, refrigerator,
- and Insignia flat screen TV
