## Overview

---

Doc Hardway (Name Reserved) is the ideal boat for anyone looking to enjoy the luxuries of a motor yacht with a sport fishing platform. With her large staterooms and her extremely spacious enclosed bridge that doubles as a sky lounge, this 72 Viking will take you to your favorite destinations in complete comfort. Doc Hardway is powered by low hour Cat C-32's that were installed in 2007. Her 32kw Generators were both completely rebuilt in 2013 and she has recently underwent countless upgrades including new stainless steel appliances and updated A/V during her interior refit. She was completely awlgriped and received a major electronics upgrade in 2012. In addition to her dual cable masters, underwater lights, and full tuna tower, this 72 Viking is also equipped with the ideal upgrades for any traveling excursions including 1500 lb Davit, custom fold-able cockpit awning, and a swim platform off the transom but by nature this Viking is a tournament contender and boasts an ultra large live well system, Rupp outriggers, and tuna tubes.
