## Overview

---

Delivered in 2011, 47-meter Heesen Yacht ARIADNA is a classic, and a superb example in her range. Maintained in pristine condition by her dedicated and highly trained crew, with annual maintenance and updates, ARIADNA has remained at the top of the 45m-50m super yacht class since her launch. She is a renowned vessel and recognised wherever she cruises in Mediterranean. With a cruising speed up to 12 knots and a transatlantic range, ARIADNA is, above all else, built for special experiences while on board.

<?xml:namespace prefix = "o" />

What sets ARIADNA apart begins with her exteriors, designed by the renowned Dutch shipyard and combining a classic but elegant line capable of excellent performance. Her Lower Deck is framed by her large folding swim platform, which can support a day of family fun and relaxation, and provides direct access to the garage and her marvellous toys selection (jetski, seabobs and flyboard, among the most important) The Main Deck is the heart of ARIADNA, with a large 6-10 person table for entertaining, and her generous beam opens up the salon for a sense of spaciousness. The Bridge Deck aft is dedicated to the Owner's private suite, with a wide teak deck, sofas, and ceiling TV for a romantic al-fresco cinema. On the bow, ARIADNA dedicates an area for private sunbathing, with large sun pads and a table for 8 guests under an awning, an ideal place for those looking after comfort and privacy. Crowning the yacht is her exquisite panoramic Sun Deck, with large teak space on the aft, a table for 10 guests, and a bar nestled in the middle for entertaining. Here is the perfect place to relax in the sun, with double waterfalls, a Jacuzzi facing the sea... this is a place like no other!

Her gorgeous interiors were designed by the renowned Omega Design office, providing a wide and very warm welcome, with rich and luxurious outfitting in every area. The quality of her design can be seen also with her marvellous circular stairs and her silk panels, connecting all decks together. Her main quality, above all, is her accommodation: ARIADNA has 6 cabins for 12 guests. The Owner's private area, located on Bridge Deck, is fitted with a full-beam office, en-suite bedroom, walk-in wardrobe, large bathroom, and a private aft terrace. On the Main Deck, the VIP full-beam cabin is also provided with an office, with an impressive bedroom and bathroom. 4 Guests cabins (3 Double + 1 Twin) are set on Lower Deck, each being en-suite.

**ARIADNA is available for viewings exclusively with Imperial in Monaco area.**
