SPECIFICATIONS

Overview

52m (170.6ft) superyacht KISS THE SKY was delivered in 2001 (refit: 2009), and regularly maintained with frequent updates for her Owner's full pleasure. Delivered by Amels from the designs of the famous and highly sought-after designer Terence Disdale, KISS THE SKY is now offered to the market in perfect condition thanks to her very professional and highly-trained crew.

Her exterior spaces are vast and versatile. The broad gangways of the Main Deck aft provide a sense of spaciousness; she hosts a beautiful lounge on the Bridge Deck, with full-beam seating and an al-fresco dining area for 8 to 10 guests; her Sun Deck provides the ideal relaxation area, spacious on the aft and with a Jacuzzi to the front, perfect for lounging in the sun. Her smooth exterior lines maintain her contemporary look, showing that KISS THE SKY is still a motor yacht to be appreciated by her guests for an atmosphere of pure relaxation.

Her original interior was designed also by Terence Disdale but the refitted actual interior was created by Patrick Knowles, opulent in his use of crafted wood and precious fabrics. Entering from the Main Deck into the salon, instant relaxation is to be found on the large and exquisite sofas, with a beautiful dining area just behind. The full beam Master suite was designed to suit a discerning owner: her layout is delicate, with a 'his and hers' bathroom - including a steam shower and spa bath - and large dressing room and study. On the Lower Deck, KISS THE SKY's layout was designed to host two spacious forward VIP staterooms, with Queen size beds, en-suite facilities, complete with a large bathtub. Additional guests can relax in the two spacious Twin suites with extra Pullman beds in each and en-suite facilities.

The Crew quarters were built to maximise the capacities of KISS THE SKY's crew: 13 members can work on board and live in her spacious accommodation.

Presented in excellent condition, KISS THE SKY is now entering the brokerage market to offer her new owner a yacht that can challenge any new build superyacht in her range, showing that she remains an example to follow in terms of versatility and pure enjoyment **Viewings exclusively by appointments in Miami area.** Contact: Julia Stewart Director - Monaco office E j.stewart@imperial-yachts.com T +377 97 98 38 80
