SPECIFICATIONS

Overview

Great opportunity on a very well-kept 31 Cabo. "Changing Channels" differentiates herself from the other Cabo 31X's out there in the following ways: upgraded Garmin electronics suite (upper and lower helms), spray rail modification (a must-have on early 31's to keep the ride dry), rebuilt generator, LED and underwater lights, swim platform, fighting chair, all services up-to-date, the works! Her owner has purchased a larger sportfish and expects her to be the next one sold!

Basic Information
