Fuel Type: Diesel

DETAILED INFORMATION

The "Quick Time"

"Quick Time" is, without a doubt, the nicest 56 on the market today. She truly shows like a 2010 or newer and has been upgraded and updated yearly since new. She sports absolutely everything one would want in a sportfish, including full tower, teak cockpit, watermaker, updated electronics, refrigerated fish boxes, ice chipper, fighting chair, and the list goes on. Her owner has moved into a larger sportfish and is looking to move her in "Quick Time!"

Walkthrough

Built on a tapered modified V-hull with relatively flat after sections, the upgraded MAN diesels will punch the Ocean 56 Super Sport to 35 knots with an economical cruise of 27 knots.

Quick Time has the ever-popular 3 stateroom, 3 head interior. Because of the innovative elevated galley, she has a full beam, midship master with ensuite head. By putting the VIP head forward, the VIP stateroom is moved further aft allowing more square footage with a queen berth athwartship and closer to the center of gravity. The third stateroom has 2 bunks and more custom rod storage.

The salon, galley and dining area are larger than any other boat in this size and class.

With 130 square feet of cockpit, there is plenty of fish-fighting space. It is loaded for competition fishing. The cockpit has a freezer, ice chipper, refrigerated fish hold, transom livewell, tackle center, washdowns, ample rod storage, outriggers and cockpit engine controls.

Quick Time has been maintained with a truly unlimited budget and she shows incredibly well inside and out. Her owners have moved up to a larger vessel and are looking for a quick sale. You will not find a cleaner, better-equipped boat for this kind of money.

Salon

- Electric door access with foot-button
- Beige headliner with Cantaluppi lighting
- Entered via starboard side door
- Centerline overhead handrail cockpit
- Starboard side cabinetry houses the
- Huge "L" shaped settee in ivory
