SPECIFICATIONS

Overview

Delivered in 2011, ELSEA enters the brokerage market in turn-key condition, thanks to a very professional and highly supervised maintenance program. Cruising with gold and brown colors on hull and superstructure, ELSEA is a model to follow in the 40m+ open yachts range with exclusive performances at sea thanks to her 3 x MTU 16V 2000 engines providing 7.200Hp combined and a top speed up to 36 knots, enhanced by Kamewa water jets.

Her generous exteriors, built by Italyachts shipyard and Studio Bacigalupo, are adapted to her wonderful performances. Boasting marvelous decks and also Jacuzzi and lounge on Sun Deck, ELSEA is proposed with the best furnitures available in her category. Her Main Deck is able to comfortably seat 6 to 8 guests for an al-fresco diner. Inside, designer Cristiano Gatto built a comfortable and warm atmosphere, the ideal union between luxury and modernity. Interiors, with ebony and leather colors, are impressively wide for an open yacht of this size: generosity in living spaces is found everywhere on board, and modern entertainment system is set in every interior and exterior area, mixing 5.1 audio system and Apple-based media center.

4 cabins are composing the night area on board: a fantastic full-beam Master cabin with en-suite bathroom and dressing, a generous-sized VIP cabin and two Guests cabins (one Double en-suite and one Twin with extra Pullman, for a total accommodation for 9 guests). ELSEA is also proposed to the brokerage market with a large set of water toys. **ELSEA is available for viewings exclusively with Imperial in South of France.** Contact: Julia Stewart Director - Monaco Office E j.stewart@imperial-yachts.com T +377 97 98 38 80
