DETAILED INFORMATION

Vessel Walkthrough

This 60' Neptunus "Flybridge Model" offers an open lay-out with three generous Staterooms, two Heads, a Lower Helm Station, an on deck Galley and dining area with folding burl top table, inside helm station with full instrumentation as well as a FB control station. The interior has the perfect blend of high gloss natural cherry joinery, padded light tan Ultra Leather paneling, silk fabrics. The hue of the Ultra Leather almond Walls and headliner in this area are unique to this particular 60' Neptunus and provides a very rich and elegant look. The deck plan of the main deck, below deck and Flybridge are unique only to Neptunus designs. The Neptunus Space planning is excellent and needs to be seen to be appreciated. Upon entering the Aft Deck via the portside steps from the swim platform there is built in seating and access to the side decks. The same deck level Salon is entered via a centerline stainless steel trimmed sliding door. There is a rounded built in couch to port and two built in single seats to starboard. The galley is two steps up from the salon deck and is situated on port side. Across from the galley is the inside helm station and L-Shaped dinette. Between the galley and inside helm is the staircase leading to the cabin area and laundry facility. The Master is aft with an en suite Head. Forward to port is the Guest Cabin. All the way forward is the VIP. The shared Guest Head is to starboard opposite the Guest Cabin.

Salon

The Salon is entered via a "Trend"" stainless steel sliding door and lined drapery. The entire main deck is open with two levels of accommodation. To port is an curved sofa with seating for 5 upholstered in a light Ultra Leather sofa with storage below the cushions. A round, hingable cherry and burl wood coffee table that electrically raises and lowers in front of the settee.

To starboard are two matching built in seats with a storage cabinets in between that serves as a dry bar. Just aft of the built in seating to starboard is the entertainment unit with raised 28" Toshiba LCD TV and built in Fusion MS-IP 700i stereo with Blue Tooth, iPod and Sat radio functions. There are separate stereo amps for inside and outside. Each cabin also has its own zone from the Salon stereo. Above is a cabinet with the satellite control system.

Also in the Salon are the large salon windows with new drapes, trimmed in high gloss cherry. Additional equipment includes white stereo speakers, subwoofer, several outlets and switches, digital Marine Air AC controls. Several LED mini spots and rope lighting behind the valance provide lighting. The upper level soffit delivers the air

conditioning in an even flow throughout the Salon.

The forward part Salon wall conveniently houses the main breaker panel behind twin cherry wood doors.

The Salon also has a carpet runner to protect the carpet.

Galley

This open floor plan leads you forward and up two steps into the full Galley. The Galley's design is L shaped to port is well laid out for very efficient use and includes the following features: Granite tile flooring Granite countertops with double bull nose edging 1 - 1/2 stainless steel under mount sink Two tone single lever faucet Four burner Ceran type AEG 240V cook top Exhaust fan Panasonic convection/microwave oven with drawer above and below Sub Zero under counter freezer w/icemaker with cherry paneled door Sub Zero under counter refrigerator with cherry paneled door White Westinghouse 18" dish washer (4) LED mini spots (6) Cherry cabinet doors for storage space (2) Cherry drawers

Dining Area

Across the Galley is the yacht's Dining Area on the starboard side just behind the inside helm and open to the Galley with a unique cherry hi-lo table. The Ultra Leather tan fabric upholstered settee easily seats two. Also in this area is another Marine Air digital AC control and two directional LED mini spots over the table.

An outboard window slides open for a cross breeze.

The sole of this area is carpeted to match the Salon.

Also in this area are two more Alpine Two Stage stereo speakers and window defoggers.

Lower Helm

To starboard on the same level as the Dinette is a complete Lower Helm with a matching Ultra Leather oversize helm bench with storage below. Two cherry wood drawers below the Helm seat offer extra storage space for the Galley.

Equipment at the Lower Helm includes:

CAT engine monitoring displays Simrad Robertson AP22 autopilot Autohelm depth Autohelm speed/log New Garmin 7607 GPS/radar/depth integrated with the Flybridge

system Raymarine Ray 210 VHF Raymarine ST60+ Tridata Stainless & wood trimmed steering wheel MMC electronic clutch & throttle controls w/synchronizer & trolling speed Vetus bow thruster control Bennett trim tab controls Fireboy Halon override controls (2) Windshield wipers/washers Air horn control Defogger controls Chart light Storage below the helm Bilge pump monitor LED w/high water alarm Windlass controls ACR RCL-75 remote spotlight control

Companionway

In the center, between the galley and inside helm are seven carpeted steps with courtesy lights, carpet runners and handrail.

Aft of the steps to starboard is the entrance to the Master Cabin and just forward port is the Whirlpool Twin heavy duty washer dryer in a locker behind cherry doors.

The Port Guest Cabin is to port, the shared Head to starboard and the VIP all the way forward.

Master Stateroom

At the bottom of the Companionway turning right is the entry to the master cabin hallway. In the master cabin hallway to starboard is also the entry to the master head. A raised platform berth with rope lighting below is positioned in the center to maximize the space allowing for walk around the master berth. The mattress is a Pillow top mattress. Twin brass reading lights flank the upholstered headboard. The Master berth has night tables on each side with two drawers and two cabinets each. Next forward are two cabinets with seven shelves within. Further forward in the Master Cabin to starboard is a large cedar lined auto lit hanging locker. To port is a small built in seat and additional cabinets fore and aft with shelves and hanging locker space.

The cabin has three opening portholes with drapes for cross ventilation.

At the foot of the berth is a built in 24" Toshiba LCD TV. The cabin also has Paradigm stereo speakers with volume control. Outboard of the TV is yet another cedar lined twin door hanging locker. The storage in this cabin is incredible with a total of 24 cabinets doors and four drawers. Overhead are six overhead mini LED lights and rope lights under the berth and window valance. Again AC is delivered via a valance over the berth for even air distribution. A digital safe mounted inside a cabinet was added in 2016.

Master Head

Two steps up from the Master is the private Master Head with a custom Corian like countertop and marble sole and a Raritan Atlantis head. The vanity has one curved storage cabinet below the bow front Corian countertop and an under mount sink with faucet and soap dispenser Above is an opening porthole behind a Duette shade with rope lighting for accent and two overhead mini spots. Above are five mirrored medicine cabinet doors The stall shower has a sliding curved glass door, a wall mountable or handheld shower head, an exhaust fan and light fixture.

Port Guest Cabin

Forward through the center Companionway to port is the Guest Cabin with criss-cross single berths. Under the transverse berth is a storage locker with shelves. The cedar lined auto lit hanging locker is located forward of the length wise berth. AC is delivered via a ceiling soffit.

The cabin has one opening porthole with drapes.

Also in this cabin are two reading lights, two LED overhead lights and digital AC controls. The sole is carpeted.

VIP Cabin

The VIP Cabin is all the way forward. The queen size berth with innerspring mattress is off the forward mirrored bulkhead with an upholstered headboard below. New fitted mattress pad and sheets were custom made in 2015 by Hand Mattress Company. Below the berth are rope lights and one storage drawer facing aft. Above the berth is an escape hatch for emergency escape and ventilation and two separate mini spots as reading lights. To both port and starboard are six cherry cabinets each side. Below are full drapes and rope lights with two opening portholes on each side. Built in cabinetry form nightstands both port and starboard. Aft to starboard is access to the Guest Head. Aft to port and starboard are cedar lined hanging lockers. A built in Sony TV/VCR combo to port. Also in this cabin are four overhead LED spots, two Paradigm stereo speakers, digital AC controls and a hatch to the bow thruster area in the sole below.

Air conditioning is delivered from a soffit on the forward bulkhead for even distribution.

Guest Head to Starboard

Across the Companionway from the port Guest Cabin is the Guest Head with two access doors, one from the center line Companionway, the other from the VIP. It features a custom marble tile sole, bow front vanity cabinet with an under mount sink on the Corian countertop. Above there are four beveled mirror front medicine cabinets.

Below the medicine cabinets is an opening porthole with Duette type shade. The toilet is a Raritan Atlantis model. The stall shower has a curved sliding glass door, handheld or wall mountable shower fixture and a light and exhaust fan.

Three LED mini spots offer excellent lighting.
