SPECIFICATIONS

Overview

"Du Vent" is a fantastic, large gem of a boat from the world's biggest sailboat builder. This Jeanneau 45.2 is equally comfortable at anchor or on the dock, or offshore sailing. Consider the large sail inventory (with furling Main and a classic main, large genoa and 2 asymmetrical spinnakers), the large cockpit and twin helms, not to mention a full array of electronics.

However, she is also a very comfortable boat to entertain plenty of family and friends. She has three cabins (The master cabin is forward and has its own head), has very large salon seating for 6-8, and a galley that runs nearly ten feet long with plenty of storage. Finally, her cockpit is another great space, with plenty of seating, teak varnished table, long benches covered with teak and with cushions.

Features include:

- Updated Raymarine & Lawrence electronics.
- 58 HP Yanmar with only 1,000 hours, super clean
- Beautiful teak finish interior, feel rich & comfortable
- 3 cabin, 2 head version
- Great deck layout - Wide side decks, large cockpit, easy to walk on and off from stern
- OPTIONAL - "Like New" Winter boat cover for the entire boat, in great condition.

Call to set up a showing!

Reviews:

"From the elegant owner's stateroom forward, to the in-line galley, to the functional navigation station tucked away to starboard, the 45.2 features a stylish, roomy and innovative layout. [...] On deck, the 45.2 combines Jeanneau's trademark clean, modern lines with an easy-to-handle, all-furling sailplan controlled from the huge aft cockpit." - Sailing Magazine

"The 45.2's cockpit, meanwhile, has party written all over it. Centrestage is a laminated teak table with drink holders and a built-in icebox. The table is enormous when the leaves are opened out. Comfortably angled cockpit seats beg to be slept on and port and starboard cockpit lockers are generous in size. [...]"

...[E]asy access to knee-high swing doors at the stern. Swing the doors open and it's a simple step down to a swim platform where cruising crew members can sit and trail their feet in the water on a hot day.

Sun worshipping and swimming is further helped by a telescopic swim ladder and there's a freshwater shower to wash the saltwater away, while a split backstay further improves stern access." - Boat Point Australia

- **Anchor & Chain** - 150' 3/8" BBB chain and 150' of rode with Bruce anchor and Lofrans Tigres windlass
- **Large Anchor Roller**
- **Foredeck Locker** - Large locker with hatch and also access from Master Cabin. Deep enough to hold sails or rolled up tender, fenders, etc.
- **OPTIONAL** - "Like New" Winter boat cover for the entire boat, in great condition. Available for an additional \$7,000, much less than what owner paid.

Sail Inventory & Gear:

- **Main Sail** - Roller Furling Main Sails
- **Main Sail Track** - next to Roller Furling mainsail, for full batten mainsail
- **Main Sail 2** - Older classic main sail, stored in dry storage. Appears in good condition.
- **Genoa** - 135% Roller furling, with white Sunbrella cover
- **Asymmetrical Spinnakers** - 2 Spinnakers, one white with teal and blue strips, another in blue and red. Both have snuffer socks for furling/unfurling, and appear in good condition and stored in dry storage.
- **Rig** - Sparcraft roller furling mast
- **Vang** - Newer Sparcraft rigid vang
- **Genoa Furler** - Profurl
- **Harken wide traveler**
- **Harken adjustable Genoa lead cars**
- **Spinnaker deck hardware package**

Interior Features & Description

Main Features:

- Teak & holly sole
- Warm teak interior
- Dark blue Upholstery
-

Salon:

- **Layout:** The salon is laid out with a large settee to starboard, with cabinetry, and the galley the entire length of the salon to port.
- **Table** - Has folding leaves, with small storage drawers running down the leg of the table.
- **Seating** - Surrounding the table, a U-shaped settee with plush navy blue fabric seating combined with a bench seat with back rest. Slips about 8. You can have a grown adult sleep on the settee (Table does not drop down, however).
- **Storage under seating**
- **Bar chest** in salon corner

Navigation Station:

- **Large Navigation station** is located aft of the Salon settee, with opening port. Comfortable and spacious.
- **Large table** for charts or laptops, with plenty of accessible storage within reach. Flip-up table, opening cabinet.
- **DC Panel** - Manual gauges show volts, charger and alternator and amperage. Toggle switches for Nav Lights, House lights, Aux
- **AC Panel** - Manual gauge for voltage, Toggle switches for pumps, electronics, services, etc.

- **Inverter/Charger** - Heart Interface Display & control panel. Inverter is located under seating.
- **Chartplotter** - Lowrance Elite 7 HDI color Chartplotter.
- **VHF** - Standard Horizon
- **Stereo** - Jensen stereo with 6 CD Changer

Galley:

- **Linear Galley** is located to port of the settee
- **Great counter space** - around 10 foot of counter, terrific for entertaining, spreads.
- **Sinks** - Double Stainless Steel sinks.
- **Stove & Oven** - Force 10 Gimballed 4-burner stove with oven. Propane-fueled (Two tanks in cockpit), has solenoid switch.
- **Microwave** - Westinghouse, hidden in cupboard storage.
- **Fridge** - top loading and front loading, with cold plate
- **Freezer compartment** - drop-in cold storage. (Not refrigerated--add ice. Cold plate can be added easily.)
- **Storage** - Plenty of cabinetry at eye-level, as well as cabinets under counter. Has drawers and larger storage. One drop-in and front loading storage.

Master Cabin:

- Bedding - Queen center berth with memory foam mattress top
- Storage - Three opening lockers, and Drawer under bed.
- Vanity - Top Port, mirrored vanity with storage and swivel stool
- Great ventilation and ports w/ 2 Stainless Steel Dorade vents

Master Head:

- **Accessible from master cabin**
- **Head** - Manual head with shower lid for seating.
- **Spacious shower** has teak floor grating
- **Counter top** are emerald green.
- **Ventilation** - Opening Hatch

Aft Cabins:

- Located to port and starboard are the two aft cabins. Both have nearly queen sized beds.
- **Storage** - Useful storage space in each cabin, including hanging lockers, shelves and lockers.
- Ventilation opening ports and hatches in each cabin.

Aft Head:

- Located to port, it's entirely molded in fiberglass and
- Large head & shower compartment
- Newly replaced WEMA holding tank sensing system

Engine Room:

- Access to the 58-horsepower Yanmar diesel is good via the companionway steps and from hatches in each aft cabin.

Electrical

- **Batteries** - 4 AGM batteries provide outstanding power capacity and no maintenance fuss. 3 House and 1 Starter.
- **Inverter** - Heart Freedom 2000 Watt Inverter provides smooth power capable of charging the most sensitive of devices.
- Heart Interface **battery monitoring system**
- There is a large **upgraded electrical breaker panel** located at the Nav-Station.
- **Upgraded ABYC wiring** of entire boat and custom fuse/ shunt battery control switches under aft settee
- **80-amp charging alternator**
- **12v plugs** in chart table and in cockpit

Exclusions

Owner's personal belongings.
