SPECIFICATIONS

Overview

DREAMCATCHER is a 2003 Cabo 35 Express Fisherman that has been genuinely pampered by a professional crew. The seller previously owned a mega-yacht and **DREAMCATCHER** complimented their yachting program, serving light duty. This Cabo is powered by Caterpillar 3126 Diesels and the boat is rigged for sport fishing. She is in good condition overall. Kept at a marina in Palm Beach, this Cabo 35 awaits your inspection.

DETAILED INFORMATION

Accommodations

This Cabo 35 offers a comfortable off-set double berth forward to port. A dinette with settee to starboard converts to sleep 2 in upper and lower bunks. The L-shaped galley is to port and is equipped with an under counter refrigerator and freezer, stainless steel sink, convection microwave oven and a single burner cook-top. Storage is found above and below the Corian counter tops. Aft to port is the head with a VacuFlush toilet, sink, and even storage for four fishing rods.

Galley

- Ceramic cook top with Corian cover
- Corian counter tops
- Recessed halogen lighting
- Microwave/convection oven
- Side-by-side refrigerator/freezer AC/DC
- Storage compartments and drawers
- Positive latches on cabinet doors and drawers

Deck & Hull

A double forward facing Stidd companion seat matches the Stidd helm seat. Just aft of the helm is the 4-drawer tackle center with locking double doors. An icemaker is below the helm seat and the insulated cooler box aft of the helm deck has the optional freezer plate.

- Anodized aluminum rails
- Fiberglass swim step
- Fresh/Salt water wash downs
- Transom door with gate
- Insulated and macerated fish boxes
- Strataglass 4-sided enclosure
- Rupp double spreader outriggers
- Bait prep center includes
- 40-Gallon bait tank
- Freezer plate in helm deck cooler box

Electrical System

- Westerbeke 5.0 kW generator, with 2938 hours
- Dockside electrical
- Batteries with parallel switch
- Lewmar auto battery charger

Electronics

- 2 Furuno NAVnet 3D Multi-function Monitors
- 2 Caterpillar Marine Power Monitors
- 2 Furuno FI-50 Multi-function Gauges
- Simrad Auto Pilot AP 24
- Vetus Bow Thruster controller
- ACR Searchlight
- Bennett Trim Tabs
- ICOM VHF
- Clarion Sound System Monitor

Engine & Mechanical

One of the nicest features of the Cabo 35 Express is the hydraulic helm deck. It raises to allow easy access to the engine room. All components can be reached to service and maintain.

- Twin CAT 3126 B's with 2,000 hours
- Westerbeke 5.0 kW generator with 2,938 hours
- Vetus bow thruster
- Glendinning electronic controls
- Engine synchronizer
- (2) Bilge blowers
- (3) Automatic/manual bilge pumps
- Oil X-Changer system
- Trolling valves
- Engine alarms
- Automatic fire extinguishing system
- Hydraulic steering
- Trim tabs

Broker Comments

When you step aboard a Cabo Yacht, you can't help noticing the class leading fit and finish. Gelcoat, plumbing and wiring are beyond comparison. All of the hardware is chrome plated bronze and heavy duty. Gaskets and lock down latches eliminate rattles. Mechanical systems are all easily accessible and hoses, valves, switches and circuit breakers are labeled for quick and easy identification. Upon inspection it is apparent Cabo Engineers paid attention to the details and considered future maintenance and repairs when building the boat. If you are seeking a top quality express fisherman, arrange a time to visit **DREAMCATHER** in Palm Beach.
