## Overview

---

"Sea Path" shows in overall very good condition inside/out. Her **3 stateroom** interior is all about comfort aboard from the spacious salon/ open galley just one step down off the salon behind a good sized breakfast bar. Her 3 stateroom/2 head layout feature queen berths in the master and VIP stateroom and her third cabin features upper/lower bunks.

A bestseller for Ocean from 1986 through 1990, the original 48 Super Sport has a Jersey style profile with an aggressive appearance. She is quick to accelerate and very fuel efficient, cruises at 20 knots and capable of 27 knots WOT. "Sea Path" has the popular three stateroom , step down galley configuration which places anyone in the galley still able to see and converse with the crowd in the salon.

Introduced in 1986, the Ocean 48 Super Sport was built on a stretched 46 hull with improved styling and performance. The 48 Super Sport offers both luxurious interior accommodations for her and impressive performance and a proven fishing platform for him. Of the two floor plans offered, the 3 stateroom with mid-level galley was the most popular. Warm teak woodwork and cabinetry adorn the 48 throughout and this yacht is no exception!

A good looking convertible known for it's best in class combination of fuel efficiency and performance. Interior features rival those of a motor yacht. 3 staterooms, two heads, galley one step down layout with large salon.

Although the 48 SS was re-styled several times during her long production run from 1986 until 2003, she remained a constant best seller in her size and class range for Ocean Yachts and has always enjoyed popularity on the resale market.

Stylish profile and great sea keeping abilities. Popular 3 stateroom layout. Ready to enjoy! Detroit Diesel 485HP Twin 6-71 TIB's

Very Well maintained and clean!

**NOTE: Port engine just majored (May 2016)/ Starboard checked out and runs fine. Boat is in very nice condition inside/out and shows much newer than her age ! ! ADDITIONAL DETAILS:**

Accommodations and Layout

**The large salon is accessed from the cockpit, through a sliding entry door on the starboard side. The L-shaped leather sofa with accent pillows is in the port aft corner of the salon. There is Rod storage under the sofa. There**
