DETAILED INFORMATION

Remarks

The masterpiece of the Whiticar fleet, the **Never Enough** is a work of art in her creation. Using only modern materials her sheer beauty resonates even before you enter her salon. Her meticulous teak work begins as she welcomes you outside her entrance and continues throughout her interior. The thousands of man hours are reflected in every corner of her interior from the Rolls Royce leather on her couches and chairs, to her custom rugs which lead you down the pathway to her hidden treasure below in her staterooms.

Salon

The custom carpeted Salon provides you with the first glimpse of the detail and handcrafting used in the teak cabinetry throughout her interior. All raised panel doors on the cabinets are book-matched teak and create a feeling of being in an elegant yet cozy area to entertain guests or to enjoy a day of fishing on the sea. Carved seashell door handles with ebony inlays are the perfect finishing touch. The L-shaped leather couch (with storage compartments inside, seats 6 people and has a custom hi-low teak coffee table that converts to a dining table for 4. The two matching leather chairs (with storage compartments inside) have a custom teak lift up table, built into the starboard salon side wall, using Gulfstream Jet technology. The home theater consists of a 40 inch Flat Screen Samsung TV hidden behind raised panel teak cabinetry, Crestron 5 Zone customized audio system, 2 direct TV boxes, Marantz AV surround sound receiver, Kaleidescape system, 6 built in speakers and a sub-woofer located in the couch seating. All equipment are housed in a compartment on the side wall of the stairs leading to the staterooms.

Galley

The Galley is located at the forward end of the salon to starboard. It is equipped with stainless steel custom freezer and refrigerator; Kenyon Mediterranean 4 burner cooktop with electric sliding Corian cover matching the counter tops; microwave/convection oven with custom storage hidden behind raised teak panel doors; exhaust fan; Whirlpool 50lb clear icemaker; reverse osmosis water making system provides 1000 gallons of clean water each day. Galley flooring is teak and walnut.

Companionway

Leading down three steps (with storage in each one) from the Galley you will find the Asko washer and dryer, custom rod storage and a continuation of the same teak and walnut flooring as the galley.

Master Stateroom

The spacious Master Stateroom is located amidship and to starboard. The same custom teak raised paneled doors continue in this space to create an old world feeling of luxury and elegance. Storage can be found under the master berth, along the sides of the berth, ample drawer space can be found on sides of the berth and in the cedar lined hanging locker. A lighted vanity mirror adorns the top of the cabinets with custom makeup drawer. When not in use a push button sends it electronically into the cabinet where it is hidden from view. A small safe is located to the left of the berth and is out of sight. The electronics are a 22 inch Samsung flat screen TV, hidden behind a paneled door with 2 -four inch speakers mounted in the ceiling. The berth boasts custom bedspread and throw pillows.

Master Head

There is a large private Master Head with a custom teak sink with ebony inlays and two fighting marlins. Custom faucet, shower head and robe hook are the perfect accents. The toilet is covered when not in use by a teak cabinet. In addition there is a large stall shower.

Guest Stateroom

The Guest Stateroom is located forward with upper and lower berths. Upper berth is oversized to accommodate two people. All bedspreads and pillow covers are custom. There is a 22 inch flat screen Samsung TV located behind a cabinet door is located in the perfect location for all guests to watch from their berths. A ceiling portal is located in the center of the room and offers just the right of amount of sunlight during the day and has a black out cover. There is storage in the cedar lined hanging locker and in the cabinets surrounding the berth and drawers under the berth.

Guest Head

The Guest Head can be entered from the guest stateroom or from the hallway. Equipped with the same custom faucets and accessories. Dometic head; stall shower; sink and vanity with ample room for storage in the side cabinets with a custom hamper.

Flybridge/Helm

Her custom ladder starts out vertical and then slants to forward to an almost stairway angle, making it easy and safe to climb. There is storage under all settees, coaming and the console. The wrap around instrument panel provides every button on each piece of equipment in easy reach of the helmsman.

Deck & Hull

Navy blue hull: no bow rails; frameless tinted salon windows; teak transom; 8 man life raft; Maxwell VC-220 windlass; Puerto Rican sun cockpit cover; standard cockpit cover.

Construction

The hull is cold molded, epoxy laminated solid mahogany. There are three layers of planking on the bottom and two on the hull sides. In addition to the planking there are stringers, bulkheads, additional framing and longitudinals that further reinforce from within. The entire exterior of the hull, as well as interior bilge areas are fiberglass and epoxy encapsulated. The bottom has layers of Kevlar fabric for additional strength.

Only mahogany planking is the standard for all of the Whiticar cold molded hulls. This provides its owners with the peace of mind that her hull will not experience water migration problems and delamination issues.

Electronics

Bridge:

- Furuno Nav-net 3-D System with 12 inch monitor
- Simrad AP20 Auto Pilot
- Furuno RD30 Temperature Gage with display
- Garmin 5212 GPS with 12 inch display
- Furuno -FR8254 -96 mile radar

- ICOM VHF -M502-Commnad Mic
- Furuno DFF3 Color Sounder
- Ritchie 6 inch Compass
- Bridge Stereo control and speakers
- Air Horns

Tower:

- Icom-M504 radio
- Nav Net 3D 7 inch display

Electrical System

- 23 kW Cummins Onan generator (2012)
- Sentry battery charger 12V & 24V

Fishability & Equipment

The **Never Enough** is the perfect vessel for the sport fishing aficionado. With her electronic controls and trolling valves she can troll at 1 Knot for live baiting but has the power and maneuverability to back down on a fish on dime. The overhead teaser compartment is out of sight but easy to open and close with no chance of a head injury to captain or guests. She has won many a tournament and she was built for action.

Fishing Equipment:

- Rupp outriggers
- Rupp center rigger
- Release marine helm chairs
- Flush electric teaser reels
- Jack Hopewell tuna tower
- Transom door
- Fighting chair with rocket launcher

Engine & Mechanical

The **Never Enough** has a pristine engine room. The height in the center is 51 inches and her width allows movability for 2 people if necessary.

- **Twin MTU 8V Series 2000-CR-M-94 (2000 hrs) - New in 2012 - *with transferable extended warranty good through 5/21/2018 or upon the completion of 3,000 hours of operation, whichever occurs first.***
