## Overview

---

**\$100,000 OFF - Ft. Lauderdale Boat Show Only! Now Available For A Limited Time at \$699,000!**

The BDG is a 620 Pama loaded with every luxury available and is maintained to the highest standards with an open checkbook. The yacht is captain maintained and it is apparent from the time you step onboard. The cherry wood satin interior is beautifully designed and the craftsmanship is nothing short of world class.

Pama Yachts' attention to custom design features and luxurious space delivers a sensation that one would expect from entering a yacht priced in the multi millions. The spacious salon with double sliding salon doors allow you and your guests roaming freedom onto the aft teak deck to enjoy an evening of cocktails and dinner around the custom aft deck table and well-appointed seating with more than enough room to entertain guests. Wet bar, wine cooler and entertainment system are all placed for convenient access.

The full sized galley is located just behind the pilot house with every possible amenity to prepare a gourmet meals including a full size refrigerator and granite counter tops. There are three staterooms including an enormous full beam master stateroom and bath. All staterooms play host to gorgeous woodwork and five star custom bedding.

No matter the weather conditions, you can cruise in comfort from the bridge helm or air conditioned pilothouse loaded with up-to-date Raymarine navigational electronics. Your guests will have the best in comfort and style while enjoying the limitless views from an oversized bridge. Drop the tender in the water for a run to the beach or take advantage of the large aft bridge deck while sun bathing with a cold cocktail. The BDG has impressive amenities that go well beyond satisfying any yacht owner's requirements.

BDG is powered by extremely economical yet high performance C18 Caterpillar engines and Northern Lights generator, which allows total peace of mind knowing that you are running with the very best equipment. This 62' Pama offers a fast 22 plus knot cruising speed and sips fuel at 10 knots. Fuel capacity is 1,200 gallons.

BDG just completed a major ship yard refit in Ft Lauderdale in July, 2016 which entailed replacing operational mechanical equipment as well as up-fitting interior and exterior cosmetics. The owner has spared no expense maintaining this yacht in Palm Beach condition. This yacht has it all! Get ready for the five star adventure you have been waiting for aboard this well appointed Pama 62. Call today for a private showing.
