SPECIFICATIONS

Overview

Sleek styling, a large, comfortable cockpit and a luxurious interior that sleeps plenty are just the right formula for endless fun in Tinatoya, the 420 Sundancer (called the 44 Sundancer in 2006–08). Built on a deep-V hull with prop pockets and a relatively wide 14-foot beam, the luxurious two-stateroom, two-head floor plan of the 420 Sundancer is an impressive blend of high-gloss cherry joinery, ultraleather seating, and designer fabrics.

Privacy doors (not curtains) separate both staterooms from the salon, and the Sundancer's full-service galley includes an under counter refrigerator/freezer in addition to Corian counters and hardwood flooring.

Topside, a flip-up bolster seat is standard at the helm, and the entire cockpit sole can be raised at the push of a button for engine access. Notable options include the integrated swim platform, underwater lights, split forward head, underwater exhaust system and climate controlled cockpit with a luxurious hardtop.
