# DETAILED INFORMATION

---

## Manufacturer Provided Description

---

### Manufacturer Provided Description

The Nordic Tug 32 is a fuel efficient cruising vessel featuring classic Nordic Tug styling. She is built in the USA and is equipped with a standard 220 Cummins diesel engine. As with all Nordic Tugs, the 32 has a semi-displacement hull built with hand-laid heavily reinforced fiberglass with full keel and hard chine, giving her exceptional stability and handling qualities. This very popular cruising vessel features a roomy salon/galley and separate pilothouse with a 360 degree view and 6'8" headroom. Forward is an island berth stateroom with head and large separate stall shower. The roomy salon has a large settee that converts into an oversized double berth.

## Disclaimer

---

### Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

### EXCLUSIONS:

“All personal property is excluded unless specifically identified and included in the sale agreement and listing specifications. Personal property refers to all items not permanently attached to the vessel including but not limited to: artwork, furnishings, and recreational or entertainment items. Advertisements, marketing materials, and/or other photography may depict the vessel with personal property, however, such personal property is excluded unless otherwise specifically included as provided herein.”

## Exclusions

---

Owner's personal belongings.
