Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Information

Bertram's 57 Convertible was created from the same DNA as the legendary Bertram 54' - renowned as the one of the best "sea boats" designed. The 57 features a sharp bow, long waterline and deep-V hull giving the boat exceptional performance that can take on any seas that would usually keep other boats in port. These features, along with a cockpit measuring 174 sq. ft. makes her battle-ready, and she is also fitted with an over sized transom door with lift gate in anticipation of your tournament winning deep-water catch. A versatile bait and tackle center with sink, salt and fresh water faucets, cutting board, top loading freezer and circulating baitwell are all standard equipment and only enhance the pleasure of the sport. This Bertram 57 has upgraded Cat engines and carries only 950 hours. She is in excellent shape and looking for a new home being offered forsake by her original owner.

Accommodations
